### A Gift that Gives Back

Would you like to support Partners In Health but are hesitant to do so because of the current market uncertainties? Perhaps you are concerned about being able to meet your future needs. Other donors who feel the same way have discovered the joy of supporting PIH through a charitable gift annuity.

A charitable gift annuity is a contract between you and PIH that provides advantages for both. You can make a gift and receive immediate financial benefits. By funding a charitable gift annuity you will provide valuable support to Partners In Health and receive a charitable income tax deduction and fixed payments for your lifetime or the lifetime of a loved one.

Charitable gift annuities may be funded with cash or securities. The payout rate on a charitable gift annuity is a fixed rate based on the age of the donor at the time the gift is made. Payments may be made to one or two income beneficiaries.

### Summary of Financial Benefits:

- Guaranteed fixed payments for life
- A portion of your payments may be nontaxable
- Charitable income tax deduction for a portion of the gift
- Reduced capital gains taxes

### Sample Annuity Rates\*

Gift Amount	Age	Payment Rate	Annuity	Deduction
\$10,000	65	4.7%	\$470	\$3,363
\$10,000	70	5.1%	\$510	\$4,002
\$10,000	75	5.8%	\$580	\$4,503
\$10,000	80	6.8%	\$680	\$4,965

\* Based on rates recommended by the American Council on Gift Annuities (subject to change).

### EXAMPLE:

Beth J., age 76, contributes \$10,000 cash and receives a lifetime annuity of \$600, of which \$472 is tax-free for approximately the first twelve years. She receives an income tax deduction of \$4,427 results in tax savings when she claims it.

**“For the first time in my life, I was able to give with complete confidence knowing that my donations would be used in the best possible way.”**

— Thomas J. White, Co-Founder, Partners In Health

## Benefits Include:

- Guaranteed fixed payments for life. The annuitants you name will receive fixed annual payments for life, backed by the general resources of Partners In Health. With attractive annuity rates, your cash flow may increase from what you currently receive from your asset.
- Federal and state income tax deduction. You will receive an income tax deduction in the year of your gift to be used for immediate tax savings. This is usually 20%-40% of your gift amount.
- Favorable capital gains tax treatment. If you fund the annuity with a long term appreciated securities (ones you have held for more than one year), you will incur tax on only part of the gain. If you name yourself as an annuitant, this tax will be spread out over many years. In other words, some of the capital gain is forgiven completely and the other portion is spread out over your life expectancy.
- Reduced estate costs. Your estate may enjoy reduced probate costs and estate taxes.
- Support Partners In Health. You will have the satisfaction of knowing you are contributing generous support to Partners In Health's commitment to provide the benefits of modern medical science to those most in need of them and to serve as an antidote to despair.
